Tom:

Earlier this afternoon, we discussed my FOIA request # EPA-R5-2016-010099, which read in its entirety as follows:

Joan Tanaka, Chief of Remedial Response Branch 1, stated the following in her August 31, 2016 letter to the Estate of Lois Jean Wienen (c/o Carey S. Rosemarin): "EPA has received information that you may be liable under Section 107(a) of CERCLA with respect to the Site, as potentially responsible for the release, or threat of release, of hazardous substances at the Site." I have attached a copy of the complete letter. By this FOIA request, I ask USEPA to produce the information to which it refers in the quoted sentence. Please call me at 847-897-8000x11 if you have any questions concerning this matter. Thank you for your assistance. Carey S. Rosemarin

Please be advised that I agree to your request to narrow the above FOIA request to “releasable” information, subject to my right to re-submit the original request. By doing so, I waive no rights on behalf of myself or any other person.
